

We have an Extra Band Practice scheduled on Saturday, March 7, 2026, at the Roger Bacon High School - Band Room. 4320 Vine Street, Cincinnati, OH 45217-1596.

Beginner Band will practice from 1 pm to 2 pm.

Advanced Band will practice from 2 pm to 3 pm.

Although this is an optional event, we highly encourage attending. This will allow us time to work towards our May concert. This way, the students will understand how the band sounds as a whole. Parents are welcome to sit in the band room during the practice. Please park and/or drop-off in the rear parking lot. Please enter via the Breezeway.

On Saturday, March 7th, **DO NOT** use the circle driveway for parking, drop-off, or pick-up. On Saturday, March 7th, the main front doors of Roger Bacon high school will not be open. There is a construction site between the circle driveway and the entrance of the Breezeway. It will be nearly impossible for a student to walk to the Breezeway from the front of RBHS. The back parking lot drive is between 4261 Leonard Ave & 4253 Leonard Ave.

The Breezeway is the connection between the original building and the Fogarty Center

The Band Room is within the Fogarty Center.

Please park behind the building in the lot off of Leonard Ave, please enter the Breezeway, and descend down all of the steps. Please enter Fogarty through the new double doors, which do have glass!

We do not recommend parking in The Friars' Club lot.

Thanks! Mrs. Breda, Ms. Kanaitis, Dr. McIntyre, Ms. Conti, Mr. Hubauer, & Mr. Lauterbach
